Introduction/Purpose of Solicitation

The purpose of this RFP is to enter into a contract with one or more providers of IT Hardware Services that will provide OFY-SJ with assistance in the operation of its California public charter school located in Sacramento, California. The winning Proposer will provide services to OFY-SJ as described in RFP Exhibit 1, Scope of Work.

Through this RFP, OFY-SJ seeks to promote maximum open and free competition consistent with applicable federal and state laws and standards. Outlined below are examples of basic competitive bidding standards OFY-SJ will use in the issuance of this RFP:

- OFY-SJ is soliciting competitive proposals in order to secure public objectives in the most effective manner and avoid the possibilities of fraud, collusion, etc.
- OFY-SJ released this RFP to benefit OFY-SJ and not the Proposers.
- Fulfillment of RFP specifications is based on full and fair competition and acceptance by OFY-SJ of the Proposer who meets OFY-SJ's requirements, as determined by OFY-SJ when evaluating proposals, based on the criteria contained in the RFP.
- The RFP provides a basis for full and fair competition among Proposers to a common standard, free of restrictions that tend to stifle competition.

The above four points are for illustrative purposes only.

To respond to this RFP, interested Proposers must present evidence of experience, ability, and financial standing necessary to meet the requirements stated in this RFP. OFY-SJ will measure this evidence by scoring the proposals using a point system that will rank each proposal from highest to lowest, to determine which proposals they will consider for the award of a contract.

To be competitive in this solicitation, the Proposer must:

- Carefully read the entire RFP, attachments, exhibit, and OFY-SJ responses to questions before submitting a proposal.
- Ask appropriate questions or request clarification before the deadline in the RFP.
- Submit all required information by the required deadlines.
- Follow all instructions and requirements of the RFP thoroughly and appropriately.

If a Proposer discovers any ambiguity, conflict, discrepancy, omission, or other errors in this RFP, the Proposer shall immediately notify OFY-SJ of the error in writing and request clarification or a modification of the RFP. If the Proposer fails to notify OFY-SJ of the error prior to the date for submission of proposals, and is awarded the contract, the Proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

Background Information

OFY-SJ proudly serves 1,100 students and their families at its four sites. OFY-SJ is a year-round public charter school that serves 7th grade to 12th grade students, who range in age from 14 to 24 years old.

At OFY-SJ, our mission is to create an educational choice for all students. Our staff connects with students to empower and inspire them to achieve their goals and make their dreams a reality. Our students enroll with us to meet various unique needs. Some students enroll to accelerate their progress toward their high school diploma so that they are able to graduate sooner than they might in traditional school. Others are falling behind in a traditional setting and are seeking academic recovery. Additionally, some students attend OFY-SJ to eliminate some of the stressors associated with larger class sizes, increased student population and intimidating social demands of traditional high school settings. Our school offers both independent study courses and small group instruction. Independent studies provide students with the space to work at their own pace and develop a heightened sense of accountability. Our small group instruction courses offer a classroom setting with fewer students than a traditional school, in order to maximize support for access to rigorous common core content. In our blended model of independent study and small group instruction, students are encouraged to take ownership of their education while still receiving the one-on-one support they need to successfully progress toward earning a high school diploma.

General Instructions for Proposers

1. Prepare proposals simply and economically. Provide a straightforward concise description of the Proposer's capability to satisfy OFY-SJ's requirements. Emphasis should be placed on completeness and clarity of content.
2. Submit proposals for the performance of all or any portion of the services described within this RFP. All proposals must clearly and specifically indicate which services are included in the proposal.
3. OFY-SJ may reject a proposal if the proposal is conditional or incomplete, deemed non responsive, or if it contains any alterations of form or other irregularities of any kind. OFY-SJ may reject any or all proposals or waive any immaterial deviation in a proposal. OFY-SJ's waiver of an immaterial deviation shall in no way modify the RFP or excuse the Proposer from full compliance with all other requirements if awarded the contract.
4. Proposers are responsible for the costs of developing proposals, and shall not charge OFY-SJ for any preparation costs.
5. Proposers may modify their proposal after submission by withdrawing the original proposal and resubmitting a new proposal prior to the submission deadline.
6. Proposers may withdraw their proposal by submitting a written withdrawal request to OFY-SJ, signed by the Proposer or their authorized agent, through the contact person named in the "Contact Information" provided in response to this RFP. Thereafter, a Proposer may submit a new proposal prior to the proposal submission deadline. Proposers may not withdraw their proposal without cause after the proposal submission deadline.
7. OFY-SJ may modify the RFP prior to the date given for submission of proposals by posting an amendment on <https://ofy-sj.org/notices/rfp/>. OFY-SJ will notify Proposers so they can obtain any amendment from OFY-SJ's Web site, or request it by email.
8. OFY-SJ reserves the right to reject all proposals for any reason and at OFY-SJ's discretion. OFY-SJ is not required to award a contract.
9. Any proposals and resulting contract(s) will be public documents reviewed by the OFY-SJ Board of Directors at a public meeting. Proposers understand that such documents will not be kept confidential.
10. OFY-SJ will not consider more than one proposal from an individual, firm, partnership, corporation, or association under the same or different names. Reasonable grounds for believing that any Proposer has submitted more than one proposal for work contemplated herein will cause OFY-SJ to reject all proposals submitted by the Proposer. If there is reason to believe that collusion exists among the Proposers, OFY-SJ will not consider any of the participants of such collusion in this or future solicitations.
11. OFY-SJ will not consider a joint proposal submitted by two or more entities.
12. Additional charges for regular or express delivery, parcel post, packing, cartage, insurance, license fees, permits, or for any other purpose shall be included (and separately identified) in the proposal.

13. All proposals shall include the forms provided as attachments to this RFP, except that Proposers may provide cost information in an alternative format that better suits the type of services and pricing structure in the proposal, as long as it provides a description and breakdown of all costs included in the proposal. Proposers may copy these forms. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.
14. Unless the deadline is extended at OFY-SJ's discretion, OFY-SJ shall not accept proposals after the submission deadline specified in the RFP.
15. Proposers are responsible for examining the entire RFP, seeking clarification for any item or requirement that may not be clear to them, and checking all responses in their proposal for accuracy before submitting it.
16. Proposers may submit their questions regarding the information presented in this RFP to Melissa Nelson by e-mail to mnelson@ofy.org, no later than 5pm on the date set forth above. OFY-SJ will answer all questions received by the deadline in writing without exposing the query source. Proposers may not contact any other OFY-SJ employees directly to ask questions.
17. OFY-SJ representatives reserve the right to inspect a Proposer's operations prior to any award of a contract.
18. OFY-SJ reserves the right to negotiate the final terms and conditions of the contract, including the Scope of Work, which may differ from those contained in the proposal, provided OFY-SJ considers such negotiation to be in its best interest. OFY-SJ may award the full contract to any one Proposer, or may choose to split up the contract between multiple Proposers if in OFY-SJ's best interest.
19. Interested Proposers are invited to inspect OFY-SJ's premises during the Optional Tour prior to submitting a proposal.
20. Proposers shall submit one copy of the proposal via email as a single PDF document to mnelson@ofy.org. An error in the proposal may cause OFY-SJ to reject that proposal; however, OFY-SJ may, at its sole discretion, retain the proposal and make certain corrections. When determining if a correction will be made, OFY-SJ will consider the conformance of the proposal to the format and content required by the RFP and that the Proposer's intent is clearly established based on review of the whole proposal.
